**Subject: Launch of revamped AAA+ App – 'ESIC Health Connect' -Reg.**

Sir/Madam,

It is to inform that ESIC has recently launched a revamped version of the AAA+ mobile app called 'ESIC Health Connect', available on both the Android Play Store and the iPhone App Store. Some of the highlights of the app include a revamped UI and improved user experience. An option for submission of feedback on app usage has also been introduced.

The new app enhances the user experience in Appointment Booking, Aadhaar seeding, e-Health records, Home Sample collection, etc., with an upgraded user interface.

All are requested to give wide publicity to the revamped AAA+ app, i.e., 'ESIC Health Connect', among all stakeholders—employers, insured persons, ESIC employees, and pensioners. It is also requested to highlight the 'ESIC Health Connect' app during health camps, awareness programmes, and joint outreach activities. User manuals related to Insured Person, ESIC Employee and ESIC Pensioner on the usage of the 'ESIC Health Connect' app are enclosed.

This is issued with the approval of the competent authority.

Digitally signed by  
Yours sincerely,  
MAHESH NARALA  
Date: 02-02-2026  
17:48:44 (Mahesh Narala)  
Deputy Director  
ICT Division, ESIC Hqrs.

**Copy To:**

1. Deputy Director (PR) – for highlighting the 'ESIC Health Connect' app through social media platforms.
2. Website Content Manager- with a request for uploading the same on ESIC Website.

Terms & Conditions for Collection and Use of Aadhaar number and associated information

1. I understand that my Aadhaar number, biometric information and/or One-Time Password (OTP) and demographic information, as understood under the Aadhaar (Targeted Delivery of Financial and Other Subsidies, Benefits and Services) Act, 2016 and regulations framed thereunder, is being collected by the Ministry of Labour & Employment ("Ministry") and of DSCC for the following purposes:

- a. Authenticating my identity by way of the Aadhaar number authentication system;
- b. Strengthening digital platforms to ensure good governance and preventing disruption of social welfare benefits;
- c. Delinking, preventing, and otherwise, minimizing malpractices and harmful conduct associated with disbursement of social welfare benefits and services;
- d. Resolving security or technical issues associated with disbursements of social welfare benefits and services;
- e. Measuring trends related to disbursement and effectiveness of social welfare benefits and services, and improving the quality of such benefits and services;
- f. Cross-verifying the collected Aadhaar number and associated identity information with the Aadhaar-seeded databases of other Departments/Ministries of the Central Government and State Governments for the purpose of the welfare scheme(s);
- g. Delivering the benefits of various schemes of Departments/Ministries of Union and State Governments through a common platform for welfare of citizens;
- h. Delivering the benefits of sharing of my Aadhaar number and demographic information with other Departments/Ministries of the Central Government, State Governments and local bodies for formulation or implementation of suitable welfare schemes by various Departments/Ministries of Union and State Governments, namely for welfare of citizens;
- i. Sharing of my Aadhaar number and
